### **DETAILED ACTION**

- This office action is responsive to the communication filed on 08/09/2010.
- The amendments received on 08/09/2010 have been entered and made of record.
- Claims 1-9, 13-18, 20, 39, 58 and 77-78 (Renumbered 1-20) are allowed.

### ***Response to Arguments***

1. Applicant's arguments filed on 08/09/2010, with respect to the amended independent claims and the previously cited prior art references, have been fully considered and are persuasive. Therefore the previous rejections of Claims 1-7, 13-18, 20, 39, 58 and 77-78 have been withdrawn.

### **ALLOWANCE**

#### ***Allowable Subject Matter***

2. **Claims 1-9, 13-18, 20, 39, 58 and 77-78 (Renumbered 1-20)** are allowed.
3. The following is an examiner's statement of reasons for allowance:
4. The prior art of record does not teach, disclose or suggest the claimed limitations of (in combination with all other limitations in the claim), the step for "determining, via communication with the printer, printing capabilities of the printer, wherein the printing capabilities include a designation of a valid area on the recording medium on which a printer can print; obtaining the processing capabilities of the target device from the target device, wherein the processing capabilities obtained from the target device via communication with the target device, and wherein the processing capabilities include a designation of a printable area on the

recording medium for which the target processing device has capabilities for processing properly, and further include a minimum distance of separation between color patches and a minimum size for the color patches; and determining a layout of the print data based on compatible capabilities between the printing capabilities of the printer and the processing capabilities of the target device", as claimed in **Claim 1**. Similar features are claimed in Claims 2-9, 13-18, 20, 39, 58 and 77-78. Therefore, **Claims 2-9, 13-18, 20, 39, 58 and 77-78** are allowable over the prior art of record for the same reasons.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
